REMOVED,

But not to Oklahoma. We beg to announce to our friends and the public generally that we are now located in our new quarters, and are prepared better than ever to supply our trade with the NEWEST and most FASHIONABLE Goods. The old adage that a man must "blow his own horn," applies well to "sloight-of-hand" shows and "monkey performances," but to our minds a legitimate business, out of which mutual benefits may arise, no horn-blowing-so to speak—is necessary. In this communica-tion we mean to deal in business facts and not idle braggadocio. We want to call attention especially to THREE LINES, which we have made more prominent than ever, simply because these involve more money and are needed just now by everybody.

1st, Our stock of Fine Clothing,

Selected for the best trade and adapted to the most fashionable wearers. Our lines are handsomely and fully stocked with the Latest Styles of Cut-aways, Sacques and Prince Alberts. No one need go to the cities for fine clothing and pay city profits, for you can select with us and buy at the closest profits.

2d, Our stock of Boots & Shoes

Is beyond all doubt the best we have ever had. Call for Buell's Best for gentlemen, and for McIntosh' U. S. A. or "Susie" and "Ella" for ladies.

3d. Our Ladies Cloaks & Wraps

Have attracted attention from remote neighborhoods, and even in the adjoining counties. These, with Ladies Hats and Bonnets, are a specialty with us.

To accommodate our farmer friends, from whom we buy so libeaally of their products, we have added STOVEWARE and FURNI-TURE, and are prepared to furnish them in the best styles and at reasonable rates.

In all the other lines we are full up. Our Goods and Prices must do their own talking, hence we simply ask everybody to call Respectfully,
